**DON'T MISS YOUR CHANCE TO ATTEND TRADE EXPO
WITH OVER \$155,000 IN PRIZES AND EXCLUSIVE VIP DISCOUNTS!**

► **HOW TO GET AN INVITE?**

Trade Account and Cash Account customers can receive two invitations when they make a single transaction of \$500 or more at any of our Cairns Hardware stores between 1 April and 31 May. Your invitations will be sent in June, not immediately upon transaction.

► **HOW TO GET TICKETS IN THE DRAW?**

BEFORE EXPO:

- For every \$500 spent in a single transaction through your Trade Account or Cash Account you'll receive one entry ticket into the prize draw
- Double tickets will be issued for Cairns Hardware Truss and Frame transactions
- Qualifying period is 1 April – 31 May

AT EXPO:

You'll receive one entry into the prize draw for every \$100 spent on eligible products at Trade Expo on Tuesday 2 July 2024.

Major Prizes drawn at the Trade Expo (2 July 2024). You must be there to win. For full terms and conditions visit cairnshardware.com.au

ANCHOR SXTBTD12150G**

5129974

**Product Spotlight #1**

Introducing ICCONS Thunderbolt®PRO Tie-Down Anchor – the ultimate solution for efficient frame tie-down in residential timber frame construction ideal for high-wind prone and cyclonic regions. Bid farewell to the hassles of on-site chemical injection, as our Thunderbolt®PRO Anchor transforms the process. Simply drill and clean the hole, and install the Thunderbolt®PRO Tie-Down Anchor. No waiting for chemical to cure... after installation the anchor is instantly ready for threaded rod installation.

Engineered to minimize expansion forces, this anchor can be installed in close proximity to the concrete edge, making it the ideal choice for house frame tie-down applications.

- ▶ SXTBTD12150G suitable for timber 35mm and 45mm base plate applications designed to accept 12mm Threaded Rod
- ▶ Corrosion Protection – AS1684:2010 Compliant Minimum Corrosion Protection (Mechanically Galvanised ≥40µm)

For specific anchor selection or spacing specifications please check with your design engineer and/or contact ICCONS at engineering@iccons.com.au or call on **(03) 9706 4344**.

RAPTOR Diamond Blades & Grinding Cups

The ICCONS Raptor range of diamond blades and cups has undergone extensive testing to deliver superior diamond cutting and grinding equipment. Engineered specifically for Australian conditions, these blades and cups boast cutting-edge diamond technology, enabling fast and efficient performance.

Crafted with high-quality diamonds and matrices, our products are engineered to last longer and cut faster, thereby minimizing machine wear and reducing downtime. Additionally, each blade is meticulously post-tensioned with a reinforced boss to ensure precise, straight cuts.

Featuring an increased number of cooling holes to mitigate heat buildup, along with specially designed segments for rapid material removal, our blades offer unparalleled efficiency. Laser-cut directional arrows facilitate proper blade alignment with every use, enhancing user convenience and accuracy.

EVERDECK

by Timberlink

Made in Australia 

Everdeck® wood composite decking is manufactured in Tasmania from a combination of recycled plastic and plantation pine timber residues such as wood shavings.

Easy to care for

Everdeck boards do not require painting, sanding, sealing or staining, leaving you more time to enjoy your outdoor space.

Simple to install

Everdeck's concealed fastening system makes installation easy.

Artist impression

Reimagine your
outdoor space.

IF YOU'RE TALKING PAINT THAT HELPS PREVENT MOULD YOU'RE TALKING TAUBMANS

It's vital to ensure our homes are protected from the threat of mould and mildew. We understand this concern, which is why we are pleased to re-introduce our best interior broadwall product, **Taubmans Endure Interior Paint**, available at Cairns Hardware.

FIGHT MOULD AND MILDEW

The recent weather in Queensland has highlighted the need for proven solutions against mould and mildew. **Taubmans Endure Interior Paint** comes with advanced anti-microbial technology, Nanoguard®, which forms a strong barrier against mould, mildew, and bacteria. This means your walls stay not only looking great but also healthier for you and your family.

EXPERIENCE THE ENDURE DIFFERENCE

With a lifetime guarantee, **Taubmans Endure Interior Paint** is more than just paint – it's a promise of enduring quality for your home.

Visit Cairns Hardware today to explore the full range of Taubmans products and protect your home with a product you can trust.

ROOF TRUSSES

Save time on site with prefabricated roof trusses from Cairns Hardware. Delivered to the site and ready to install, roof trusses are a cost effective solution for reducing build time and delays on site.

► Layout and Design Computations

Our experienced design team will work directly with you, to provide the best fit and best quality product for your specific requirements.

► Ease of Installation

Cairns Hardware roof trusses are custom designed to your specifications and delivered direct to site. Manufactured using specialised equipment ensuring uniformity and quality. We supply each project as an entire package with all required ancillaries and documentation to complete your project quickly.

WALL FRAME

Save time on site with prefabricated wall frames from Cairns Hardware. Delivered to the site and ready to install, wall frames are a cost effective solution for reducing build time and delays on site.

► Cost Competitiveness

Our frames are designed to your requested specifications and delivered direct to your site, reducing build times and labour costs. The software used by our experienced design team allows us to optimise timber components, loading requirements and reduce wastage compared to onsite stick built alternatives.

► Engineered Design

Our experienced design team use specialised design software to ensure our frames meet or exceed all relevant Australian design codes, including bracing.

ROOFING CENTRE

Our specialist Roofing Centre manufactures all things metal like roofing, fascia, guttering and flashing to your required size and length, using the latest technology and machinery.

► Roofing

We manufacture Corrugated and Steelclad roofing profiles on site to your specifications and size, to save you time and money for your commercial or residential project. We are the only local manufacturer and stockist of Galvanised Roofing to suit heritage buildings. No job is too big or too small.

► Guttering and accessories

We also manufacture a large variety of gutter profiles on site from old style to latest style. Metal Fascia and rolltop ridge capping rolled on site in all Colorbond colours. We'll have you covered.

► Quality guarantee

You can rest assured knowing that Cairns Hardware only uses quality Australian made BlueScope Steel for the manufacture of our roofing products. We are stockists of BlueScope Ultra product made to cope with severe environmental conditions like marine areas.

Every effort is made to ensure that the advertised items are available, but due to factors beyond our control, some items may not be available at the commencement of the sale. Should this occur, a "raincheck" can be offered for most products and we will make every effort to supply this item – unless indicated otherwise. Unless otherwise stated, accessories are not included in the price. We can't offer rainchecks on limited stock items. Savings stated are off regular shelf prices. Savings are correct at time of printing. Due to the printing process, colours in this catalogue may differ to actual colours of the items. Stock may not be displayed in all stores but is available to order. We reserve the right to correct printing errors. Printed on behalf of Cairns Hardware Company Pty. Ltd. ABN 30 005 032 333. All prices include GST. Cairns Hardware reserves the right to extend any offers. On sale Thursday 18th April 2024 – Tuesday 7th May 2024, while stocks last. Store hours may vary in regional areas. Some prices may vary in regional areas due to increased freight charges.
